ABOUT THE PRESENTERS

Brenda Atwell, BA: Ms. Atwell is a behavior specialist at AID. She has a background and experience with adults with disabilities.

Amanda Augustine, MSW: Ms. Augustine is the Program Manager for Victim and Outreach Services with AID. With training in Applied Suicide Intervention Skills Training (ASIST), she has a background in crisis intervention, bereavement, court advocacy, domestic violence, and working with first responders.

Rosalie DeYoung, MA, LCPC: Ms. DeYoung is the BH Quality Assurance Director at AID. She has led several therapy groups for individuals and families, and has facilitated various staff trainings.

Jennifer Hanson MS, LCPC: Ms. Hanson is the Manager of BH Outpatient Community services at AID. She has experience working in a variety of programs including Outpatient, Crisis Intervention Services, Crisis Line, Intake, and Residential. She also has experience working in Psychiatric Inpatient units.

Ashley Heinekamp, MA, QMHP: Ms. Heinekamp is the Community Support Team Program Manager at AID. She has experience working in residential programs, behavioral health outpatient, group therapy, and crisis work at local hospitals.

Anu Khetarpal, MS: Ms. Khetarpal is the Director of Quality Improvement & Staff Development and Training at AID. With extensive involvement in development and leadership in areas of quality enhancement, program operations, and clinical support teams, she is an experienced trainer and educator.

Danielle La Ha, MA, LCPC: Ms. La Ha is the BH Director for McHenry County at AID. With ten years of experience in the mental health field, she also teaches online psychology courses. She has worked in a variety of settings including the emergency department, inpatient units and outpatients clinics.

Jaime Matas, MA, BCBA: Ms. Matas is experienced in working with adults and children in various settings. Her graduate studies' capstone research utilizing the PEAK Relational Training System to teach adults with developmental disabilities was published in Behavior Analysis in Practice.

Jaime Rische MA, BCBA: With over 20 years of experience in Applied Behavior Analysis, Ms. Rische has worked with children and adults in intensive home, educational, inpatient hospital, workshop, and community settings. Her focus is on swift identification of functions of behavior, functional skill acquisition, and family/staff training for long-term effectiveness and behavior change.

Sandra Rincon, BSW: Ms. Rincon is a Case Manager with Victim and Outreach Services with AID. She comes with an understanding of bereavement dynamics, crisis intervention, and suicide prevention and intervention.
