BEHAVIORAL HEALTH SERVICES

ALCOHOL AND OTHER DRUGS CASE MANAGEMENT

Substance Use Services are available for people who struggle with problems caused by drugs and/or alcohol.

Specialized treatment is provided for people with both a mental illness and a substance use problem.

1230 N. Highland Ave., Aurora

CHILDREN & FAMILY SERVICES

Families seek services for a variety of reasons, including mental illness, trauma, disruptive behavior disorders, family relationship issues and school trouble. AID Children & Family services navigate these important issues to allow children, youth, adults and families to grow and heal.

Services include therapy, psychiatric treatment, psychological testing, psychiatric nursing services and medication management.

5342 W. Elm St., McHenry
149 S. Lincolnway N. Aurora

COMMUNITY SUPPORT TEAM (CST)

CST is an intensive team approach that provides services to best meet client’s mental health needs, reduce symptoms, reduce emergency room visits, prevent homelessness and eliminate unnecessary call-outs to emergency personnel while increasing compliance with medication and treatment follow-up.

Each CST maintains 24 hour/ 7 day a week availability with intensive community support and focus on client’s goals.

For CST eligibility and availability info., please e-mail info@AIDcares.org

BEHAVIORAL HEALTH OUTPATIENT COMMUNITY

- Complex Care
- Individual Placement and Support (IPS)
- Re-Entry Program
- Therapy In-Home/Community

For program location availability please e-mail info@AIDcares.org

AID CRISIS LINE OF THE FOX VALLEY

Provides free phone counseling for depression, suicide, rape, addiction, domestic violence and family issues. Callers receive referrals to human service agencies in the area.

The “Sunshine Calls” program, a service of the AID Crisis Line of the Fox Valley, offers regular, scheduled phone calls to those in need of medication reminders or general social interaction.

Help is only a phone call away: (630) 966-9393

AID Behavioral Health Services Locations (note: not all programs are available in all locations):

Aurora: 1230 N. Highland Avenue & 1630 Plum Street
Harvard: 504 E. Diggins Street
McHenry: 5342 W. Elm Street

North Aurora: 149 S. Lincolnway
Woodstock: 109 S. Jefferson Street

PSYCHOLOGICAL EVALUATIONS

Our psychologist administers various psychological testing measures in order to help diagnose mental health illnesses and/or developmental disabilities.

Psychological testing also assesses cognitive and emotional functioning, and the manner in which these functions affect individual's thoughts, feelings and behaviors.

1230 N. Highland Ave., Aurora

For program location availability please e-mail info@AIDcares.org

SUPERVISED COMMUNITY LIVING

The purpose of this program is to help people with mental illnesses live more independently in the community.

People live in their own apartments with 24-hour on-site staff support. Services include counseling, case management, assistance in the community, crisis resolution and more.

For program location availability please e-mail info@AIDcares.org

SUPPORTED COMMUNITY LIVING

Provides the same, but less intensive services as Supervised Community Living. Supported Community Living allows people to live on their own and receive staff support at least once a week in their home.

Services include counseling, case management, assistance in the community, crisis resolution and more.

For program location availability please e-mail info@AIDcares.org

VICTIMS & OUTREACH SERVICES

Includes 24-hour assistance to victims of violent crime and/or trauma. Services include crisis intervention, counseling, advocacy, education and referral to local resources. Available in Aurora, Batavia, Geneva, Lombard, N. Aurora, South Elgin and St. Charles.

AID also contracts with the Cary and Huntley law enforcement departments to reduce recidivism and ensure residents get the specialized help they need.

For program location availability please e-mail info@AIDcares.org
